Information for authors

To submit a paper for the next issue of EDB Eurasian Integration Yearbook, please send it to the Editor by e-mail at: editor@eabr.org

1. Author Guidelines Typescript Preparation

- The original typescript should be submitted electronically in A4 size format, with 1.5-spaced typing preferred and a wide margin on the right.
- The size of a paper is not limited, although we advise you to keep it within our standard size of 7000-10000 words.
- We accept papers in Russian or English, preferably English. Please use British English.

International context

- It should not be assumed that the reader is familiar with specific national institutions or corporations. Authors are encouraged to approach their chosen topic from an international perspective.
- Countries and groupings of countries should be referred to by their full title (for example, ‘China’, ‘Europe’ and ‘America’ are all somewhat ambiguous).
- Special attention should be paid to identifying units of currency.
- Acronyms should be given in full when first mentioned.

Supplementary information (abstract, addresses, biographical notes)

Please assist us by following these guidelines:

- Abstract: approximately 100 words, maximum 150
- Address: position, department, institution, full postal address
- Biographical notes: approximately 100 words per author, maximum 150.

References and notes

- EDB publications use the Harvard (name and date) short reference system for citations in the text with a detailed alphabetical list at the end of the paper. Citations are placed in the footnotes. For example: (Smith, 2002: 25); (Smith and Muller, 1999).
• Full reference should include all authors’ names and initials, date of publication, title of paper, title of publication (italics), volume and issue number (of a journal), publisher and form (books, conference proceedings), page numbers. Examples of references:

• Footnotes should be avoided, but any short, succinct notes making a specific point may be placed in numeric order following the alphabetical list of references.

• References should be made only to works that are published, accepted for publication (not merely ‘submitted’), or available through libraries or institutions. Any other source should be qualified by a note regarding availability.

**Figures**

• All illustrations, whether diagrams or photographs, are referred to as Figures. They should be black and white, and numbered sequentially. They can be placed directly in the text.

**Units of measurement**

• Please use the international system for units of measurement.

2. **Author Entitlement and Copyright Notice.**

The author is free to disseminate the paper. The authors retain the copyright on their paper’s content.
